PROCEDURAL ORDER RE: MOTION TO WITHDRAW

These cases involve two petitions filed respectively by Westman GLC Solar, LLC and Cambridge GLC Solar, LLC (the “Petitioners”) with the Vermont Public Service Board (“Board”) for certificates of public good, pursuant to 30 V.S.A. §§ 219a and 248 and Board Rule 5.100. Each petition requests approval of a 500 kW group net-metered solar electric generation facility in Cambridge, Vermont.

On January 12, 2016, Leslie A. Cadwell, Esq., filed a motion to withdraw her appearance as co-counsel for the Petitioners, representing that her withdrawal will not prejudice the Petitioners because they will continue to be represented by David G. Carpenter, Esq.

As of the date of the issuance of this Order, no objections to the motion to withdraw have been received by the Board.

Accordingly, pursuant to Board Rule 2.201(D), the motion is granted.

SO ORDERED
